

Model **Vivace**

Waco & C^o
www.wacoandco.be

Technical Data (in mm)

net opening WxH 1000x800
gross dimensions WxDxH 1160x1520x450
length of burner 550
flue connection 1x diam 300
fresh air 1x diam 150

Controls

remote control (radiographic)/electric ignition
oxypilot, ionisation security
adapter 6V
guarded shut-off valve for smoke outlet

Characteristics

nominal charge 15,16kW(NG)/14,18kW(LPG)
appliance type B11as
type of gas/pressure G20/20mbar G25/25mbar
G31/37mbar
gascategory I2E+, I2H, I2E, I2L
I3P
weight kg
decorative elements log set + coals

Options

connexion for smoke extraction (on demand)
interior decoration: fine ribbed heat-resistant panels

mantle and box in steel sheets with heat-resistant paintlayer

Drawing tolerances: 5mm
